

Do Pakistani women have equal chances as men?

- Brainstorm the topic.
- Make outlines and write your thesis.

Brainstorm

Outline

1. Introduction

- a) Background
- b) Thesis statement: Despite taking certain steps, Pakistani women still face significant barriers to achieving equality with men. Through examining the areas of traditional gender roles, education, employment, legal rights, political participation, violence, and social and cultural factors, there is no such equality among men and women. These challenges require a multifaceted approach, to overcome the issue of gender inequality in Pakistan.

2. How Pakistani women have no equal chances as men:

2.1. Traditional gender roles

- a- women as caretaker
- b- Having children
- c- Priority to marriage
- d- Male dominant society

2.2. Discrimination in Education

- a- No proper access to education
- b- Expensive education
- c- Poverty
- d- Government initiatives and their effectiveness

2.3. Low Employment ratio of women

- a- Challenges in accessing employment
- b- Discouraging and less importance to women's job.
- c- Gender wage gap
- d- Discrimination in the work places.

2.4. Deprivation of legal rights

- a- right to life.
- b- Liberty
- c- right to property
- d- Inadequate physical and mental health facilities.

2.5. Limited political participation of women

- a- right of women to vote
- b- Lack of promoting women's political empowerment.
- c- absence of women in politics
- d- non-availability of women in public offices.

2.6. Violence against women

- a- Domestic violence.
- b- honour killing and misbehaviour
- c- sexual harassment
- d- human trafficking

2.7. Social and Cultural Factors:

- a- Family dynamics
- b- religious beliefs
- c- role of media in context of women.

d- limited access to resources and financial dependency.

3. Solutions to the problems of women inequality in Pakistan:

- a- proper access of women^{to} education
- b- women political participation and empowerment.
- c- providing health facilities and career opportunities for women.
- d- Government initiatives and their implementation.

4. Conclusion
