

My city

"A great city is
not to be confounded
with a populous one"

It has been just 3 years
that i've shifted to this city.
But it feels like home. My city
Torino is enrich with culture,
civilization, tradition and heritage.
In his identity, we can find
shroud of Turin, Juventus stadium,
Mole Antonelliana, and Superga
etc. Ferrari, Alpha Romeo, and
Fiat is also increasing its signifi-
cance. It was house of Olympic
2006 and eurovision 2022.

In short, I have fallen
in love with this Roman
architecture.
