

Name : Dr. Ayesha Paro.

Batch : 63

Assignment : By Prof. Ali Shahab

Date 1-4-24

Assignment:

Prog: Ali: Shahab.

: My Job in an apple plant:

: Outlines:

1: Introduction:

1.1: Attention grabber :- "Apple stores are intended not just to move boxes, but to enrich lives." By Steve Jobs.

1.2 Supporting Sentences:

→ My job is the worst job ever I had. I had paid ~~my~~ alot of my energy and time, the timing of my job was also ~~hactic~~ hectic (restless) because the time of my job was in night. I had paid much less than I had served for that job. I had limited time for lunch and the lunch was also unpaid. And there was a soldaway environment.

1.3 Thesis Statement:

The work was physically and mentally tough, the pay was poor, and the working conditions were dim.

2: Main Body:

2.1 Physically and Mentally tough:-

2.1.1 → Loading of cartons onto trucks for ten hours a night.

The weight of cartons was too high, and the time between two cartons rolling up was too short.

2.2 → The Poor Pay:-

2.2.1 → I have got paid only 3.65 dollars. It was much small amount for living a simple life.

SOLO

Date _____

2.2.2 → Had to work for sixty hours for decent pay for living a simple life.

2.3 :- The working conditions were like:-

2.3.1 :- Limited time for break for unpaid lunch.

2.3.2 → Most of my time was spent on loading dock in zero (0) degree temperature (0°C) that was very injurious to my health.

2.3.3 → Loneliness on job, causes anxiety and many other mental problems-

(1) No interests in common with other workers.

By myself for two hours cleaning the apple rats.
