

Contemporary Challenge of muslim e ummah and its Solution According to Islam

Muslim e ummah faced a lot of Challenges at This time, due to disunity, terrorism, sectarian conflicts etc. here are some following

i) Disunity and sectarian Conflicts

disunity and sectarian conflicts cast a long shadow across the muslim world.

Posing a persist challenge to stability and progress, some dating back centuries, have left festering -- wound of mistrust, internal division and violence weak the muslim-e-ummah across the globe.

like, Shia and Sunni tension, rise of ISIS, Boko Haram, TTP (Tehreek-e-Taliban Pakistan) and B.L.A in Pakistan creating tension and violating the law and order situation and killing of innocent people. But Islam promotes peace and unity.

Hadith

Prophet Muhammad (PBUH) said: "The muslim is brother to another muslims"

AL-Quran (3:103)

"And firmly hold the rope of Allah all together and do not divided"
Promotes dialogues and respect for each other.

ii) Terrorism and extremism

The dark stain of Terrorism and Extremism in some muslims countries creating a serious tension. After the 9/11 terrorism attack in USA, western countries link terrorism with Islam and after 9/11 USA attack in Afghanistan then Iraq. This shows that how weak muslim e-ummah.

Some extremist hijack Islamic teaching twisting them into justification for violence and sowing discord and link terrorism with Islam. media portrayal and fake news, especially in western country and in India.

Some extremist group misused of Islamic teaching twisting them into justification for terrorism. TTP, ISIS, Boko Haram are the examples of the extremist

Interpretation But Islam emphasize Peace.

AL-Quran [5:132

Whoever kill a soul unless for manslaughter or for corruption in the earth it is as if he has killed all of humanity

iii) Socio Economic disparity

Majority of the muslims country are economically weak. The total trade of 57 members of Oic is less than a single country, China. Per capita income of USA approximately 75950, while average of the whole oic. The total GDP of the muslim member of Oic is less than the single country USA.

Some Arab country are rich due to oil revenue. But some muslims country like African countries, like Nigeria struggling for basic need like, food, water, shelter, health care etc. Muslims countries need to work together, help each other and encourage economic development

based on ethical principles and fair distribution of the wealth

AL-QURAN [2:43]

“And establish prayer and give zakah”

iv) Political oppression and authoritarianism

Political instability across the muslim countries weak the muslim-e-umma due to

- Lack of democratic participation.
- Corruptions and poor leadership
- Miss use of the power and injustice
- human right violation and inequality.
- Disunity and sectarian conflicts

These issues stifles in the progress of the country.

AL-QURAN [3:159]

“And consult them in the matter”

Promotes accountable leadership based on Islamic principles of justice and equality.

v) Lag in education and brain drain

Education system of muslims countries is struggling to keep pace with developed countries. due to lack of resources, out curiculum and lack in research center. Benazir Bhutto has written in her book, Reconciliation "Islam democracy and The west", she write Islam first generation produced knowledge and wealth to empowered them to ruled The world. But now half of the muslim in The world illiterate.

She further write that, the total oic countries have 500 universities as compared to The 5000 universities in USA, and 8000 universities in The India. muslims countries like dubai and Saudia arabia construct largest building in The world and shopping mall. Neither These countries construct world largest universities and research centers. In past. mughal were busy in constructing magnificent building like taj mahal. Where euorpan exacting Oxford

and Cambridge universities.

AL-QURAN [96:1]

"Read in the name of your
lord who created"

vi) Gender inequality and women rights
limited opportunities for girls in some
region. Violence against both physical
and emotional, domestic abuse
and female genital are brutal
manifestation of the inequality.

limited opportunity for girls in
different field like jobs, education.

girls living in rural areas face limited
opportunities in jobs and education

especially in Pakistan, Afghanistan
and in some other muslims countries

due to poor government policies and
expensive education

Islam Promotes equal rights for
women

AL-QURAN [2:228]

"And women as similar rights
[as for men] according to what is equitable"

vii) Environmental degradation
Pollution and unsustainable management
resources threaten to the environment.
In 2022, floods in Pakistan due to
poor infrastructure and lacks of dam
Deforestation in Indonesia, recently
heavy rain in Dubai lead to
weaken the economy. due to flood
in Pakistan in 2022, Pakistan faced
lose of crops, its cultivated land,
Animals etc. developed countries like
USA, China, built largest dams to
decrease the floods or environmental
degradation.

viii) Islamophobia and negative stereotype.
Misconception and prejudice against
muslims create social barriers. media
portrayal and false news link Islam
with terrorism. This stereotypes often portray
Muslim as inherently violent, extremist,
or opposed to western value. This
prejudice can lead to discrimination in
employment, housing and education

Lag in Science and Technology

The muslims world struggles to complete with advancement in countries like USA, china etc

Solutions
