

What are benefits for Iran and Israel after attacking Iranian embassy in Damascus.

= Benefits for Israel

(1) Israel was criticised after the incident of 7 October 2023 by its western allies to stop genocide in Gaza. Israel played its card to divert attention of western countries towards Iran.

(2) More than half year has passed Israel could not defeat Hamas because they are fighting against Israel underground. Israel wants to hide its failure.

(3) Benjamin Natin Yaboo has lost its popularity in Israel because he could not rescue the hostages. He is facing a corruption case.

that is why he is continuing was to save its power

- Benefits for Iran

(1) Iran got Popularity in Muslim countries and he is playing a role of leader.

(2) After attacking Israel's soil he has come to know its capabilities to target Israel easily

(3) Iran has maintained its hegemony in region although it is facing sanctions by west and U.S.A.

(4) Proxies of Iran like Hizbulaha and Hamas which are fighting against Israel these proxies have got confidence to defeat Israel and Iran will never leave them alone.
