ESSAY

Topic: Promoting Tourism in Pakistan:
Opportunities and Challenges

Outline:-

1. Introduction:

Tourism is one of the growing industry across the world. Countries blessed with natural attractions provide their attracted places with modern infra-structure and facilities for the tourists. In Asia, Azerbaijan is the example of tourist countries who contribute in its GDP with this industries. Like Azerbaijan, Dubai is one of the country where tourists enjoy artificial or human made buildings or places which can not be seen across the globe that attracts tourists from all of world. Pakistan is also blessed with natural attractions like Naran Kaghan, Skardu and Neelum valley. Through promoting tourism, Pakistan can contribute in GDP through this industry if government- or stakeholders understand the opportunities and the challenges.

Thesis Statement:- Pakistan has ~~many~~ many attracted places which make Pakistan an immense opportunities for tourism at National and international level. However, Pakistan has always face challenges to promote tourism.
