

NATO, stands for North Atlantic Treaty Organization which was formally established on 4th April 1949. The main objective of this formal treaty was collective defence and collective response under article 5 of the NATO. However, it was formed with 12 founding countries and now there are 32 member countries in NATO, including Sweden which is 32nd member joined on March 7, 2024. Moreover, NATO was formed against the expansion of Soviet Union by North American and European countries. On the other hand, NATO is expanding to counter the expansion of Communism. For that purpose, NATO members want to add Ukraine in NATO, but Russia does not want to see Ukraine as a part of NATO because Ukraine is a neighboring border country of Russia. Furthermore, Russia is a Communist country as it is mentioned above one of the aims of NATO is to counter expansion of Communism, so Russia will not want spread of NATO surveillance. That's why Nonetheless, Russia invaded Ukraine in February 2022 to stop restoration of NATO within neighboring countries and now Russia has captured 18% of Ukraine. If Ukraine gets the membership of NATO then NATO countries will help the Ukraine in war against the Russia. According to think tanks, it will be the start of world war III.
