Education: A key to development

use marker

There are three major schools of thoughts about freedom of children in education.

First say ^{that} children should be completely unaccountable whether they are bad.

Second, children should be completely accountable whether are good and the last children should be free. The last is the

most common. Those who hold the same

believe education should be simply

spontaneous development. This is the education

that led ~~the~~ people toward cooperation

~~and communities~~. Without education, it would

be uphill task. Those who allow

most ~~of~~ freedom are dependent upon

degree benevolence and trained intelligence

where ~~impulse is unchecked~~. Through

the social point of view, education

must be more positive than growth. It

must provide mental and moral equipment.

An Instrument ^{of} Accession

The rulers of the princely states as well as Maharajah of Jodhpur had not signed the instrument of Accession fearing of end the thrones. Maharajah of Jodhpur held meeting with Jinnah. Jinnah was aware that Hindu majority states would go to India and Jinnah gave Jodhpur a blank paper to write his conditions. ~~Meerons agent informed him and urgently requested his presence at Meerons house. Viceroy castigated the Jodhpur and recalled him that Jinnah could not guarantee any condition. Further, the accession to India would not end his dis pleasure. Mountbatten left Jodhpur to sign agreement.~~
