ISKAP

since its formation in 2015, it has been influencing south Asia. ISKP is experiencing resurgence after the ~~the~~ withdrawal of US-troops. ~~The~~ ISKP ambitions can be divided into two ~~phases~~ ^{parts}. The first is to gain the territory and consolidate control (from 2015 - 2019). In 2019, ISKP ~~get~~ was facing intense pressure and loose territorial control. In 2020 onwards it has shifted its aim towards Urban warfare. And they did lethal killing attacks in Urban areas of Afghanistan.

The recruitment of ISKPs was done from the pak-afghan border. But after the takeover of Taliban in the Afghanistan, there pattern of recruitment

has ~~been~~ changed. Now, they are involving
militant group on the pretext of Taliban
betrayed Jihadi cause, and there is only
one ^{viable option} group (ISKP) left to be associated
with.

ISKP is striving to broaden its
geographical scope in Afghanistan, they
bombed Nangarhar Jail (suicide bombers)
In 2020 attack on Nangarhar Jail, ^{was} carried
out by 11 suicide bomber, 1000 of
prisoner were released, including 280
ISKP members. These attacks on
Afghanistan ^{have} ~~had been~~ increased after
the exit of US troops. In 2020, the
attacks rate was 83 and (the attacks
rate was) 234 in 2021. Also, they
have attacked on Istanbul airport,
death rate was 17.
