

## Nizar Hassan's works on Palestine's annexation

Nizar Hassan is a popular Palestinian movie-maker. In 'Independence', he mocked Israel for calling their annexation of Palestine as independence. It is said that one should be cautious when selecting one's foes because one ~~is~~ world turn into them. The writer holds the similar view when it comes to rage for Israel's stealing of Palestinian land.

Over time, such a reaction would devoid one from one's own self; and deprive one from one's own beautiful thoughts, values and aspirations. Hence, one should be careful not to come into hold of that. Different aspects of global cinema saved the writer from being a victim of that. Nizar Hassan's recent movie 'My Grandfather's path,' showing Palestinian side, is one such saviour.
