Essay
 "Everything in the world may be endured except continuing Prosperity"
 (Johann Wolfgang)

Sports is a vehicle for Society toward national Unity and Prosperity. Sports provide support at individual level as well as at national level. Sports promote unity and prosper nation in that way as to facilitating

Social Cohesion, Increasing Physical and mental Capabilities of an individual, Improving cultural and Communication integration, Promoting education, economic growth, tourism. Further more decrease crime rate in Society. All these measures directly or indirectly leading a nation towards unity and Prosperity. National Unity is a state of oneness which results from shared values, vision, purpose and aspirations irrespective of the ethnic cultural, economic, religious or any other status, while recognizing diversity. on the other hand Prosperity is far more than wealth, It is when all people have the opportunity and freedom to thrive. Prosperity is underpinned

by an inclusive Society,
 with a strong social contract
 that protects the fundamental
 liberties and security
 of every individual. As well
 as empowered people through
 health facilities, Education and
 natural environment.

Firstly, sports provide
 benefits to every individual
 in a society, regardless
 of gender, age, or
 social background, with
 opportunities for participation

In diverse sports communi-
 ties. Sports enhancing social
 cohesion by making bond
 and understanding among
 individual. For instance, when
 individual of different culture
 and nature are together
with under a single team, like
 teams made in cricket,
 show unity and cohesion.
 A team members respect each

other regardless of their
ethnicity, religion and
language. So these qualities
build in an individual
from sports so sports teach
nation's to make unity
and make nation prosper.
