## THE ESSAY:

The best time was that when we were enjoying our family gatherings by watching moral dramas and movies with eating popcorns and makes our holiday memorable. But a difficult time comes when our family gatherings were destroyed because the dramas and movies which we were watching in past was alternate with the dramas & movies presenting the vulgar & dirty side of picture of our society. In Pakistan, we have moral values which we can't underestimate but now-a-days the moral values of us are compromising. Mass media is one of the source which spreads immorality especially among beginners, teenagers of our society. It spreads immora-
