The Essay:

Youth are not useless they are used "less" they are not careless they are cared "less". "Swami" When the state failed to give opportunities, facilities, employment and advance technology etc the brain drain occurs. Countries most skilled, educated and intellectual people flee from country for better future and cause brain drain that effect the country like loss of intellectual minds,

Loss of tax revenue. Population influx in brain gain and many more.

India is a poor country with rich brains and unfortunately they drain.
