When the self-created conflict in Palestine came before the United Nation, the world body recognized the right of the Palestinian people to the self-determination and also proposed a formula for resolving the conflict. However, the passed resolution for it has never been taken into consideration for seven decade. Contrary to this, at the behest of the America, Israeli forces continue to play Holi with the blood of innocent and unarmed Palestinian to this day, the Gaza strip has been completely destroyed in the ongoing war for the past two and a half months. In this way, Israeli forces, with American assistance, have mercilessly martyred more than 20,000 Palestinians, including women and children and have left no safe place for the survivors, who are also losing their lives due to shortage of food and medicine.
