2.8 CONCLUSION.

INTRODUCTION

Imagine a nation overflowing with brilliant minds but yet they have to see them leave like sand leaving from clenched fist. This is the harsh truth that Pakistan is facing presently. 3rd world countries have to go through this nightmare each year. Till the time ~~the~~ 3rd world countries work on the causes that are the reason of brain drain; ~~that~~ ~~is~~ that is quality of life, better education, better economy, political stability, justice, secure career, this issue will always remain.
