The Duality of Human Nature
Notwithstanding the harsh criticism he faced by his opponents, Manto stayed firm on his cause; he strived to unearth the dark realities of human nature and in doing so he attracted unvarnished denunciations from hard-liners. Just like Freud, he attempted to present grim aspects of life in a tangible and digestible way. His work revolved around sex and its impact on the footnotes of society. He was able to build connection with his readers ~~even~~ without using any
