Nizar Hassan's Great Efforts

The Author wrote the biography of Nizar Hassan, he was born in 1990 in village of Mashhad near Nazareth, he studied anthropology at Haifa university, he worked in T.V and Cinema in 1990, he produced Independence in which he covered the sentiments of Palestinian about their freedom. Author received an email in which Nizar Hassan wrote about his new film My Grandfather's Path, in which they said choose your enemies carefully and do not fall into their trap of nonsense talks and foolishness, otherwise you will become like them. That writing helped the author a lot in daily routine. That film was a great work by Nizar Hassan and Al Jazeera broadcast it many times.
