Poverty

All four above force

Country to run on

International loans result in

slavery of the foreign

Countries.

" The Essay

Dream, dream, dream

Dreams - transform into thoughts
and - thoughts result in
action."

A.P.J Abdul Kalam

Dreamer in - the pursue of - their dreams
- take an action. If - the Country is
not able to give the proper land
of - flying and landing what will
be - the result? The answer is
- that aeroplane will like to land
on - the available land. This is - the

brain drain in my opinion. Brain
drain refers - to - the emigration of
highly skilled and educated
individuals - from one Country to
another - In - this essay, we are going to
- to - talk on - the causes of - the Brain
drain as well as - the consequences

on - the home land. A garden
without - flowers is like a
desert, barren and void of
beauty. The nation without - the

brain drains is like a desert.

no innovations just a piece of
land. Causes of the brain drain in

Pakistan are - feeling of insecurity, violence,
terrorism, injustice, no
quality of (Health care,

institutions, research facilities, No
 jobs (unemployment, poverty, increasing
 Prices of goods), outdated
 curriculum which can never lead
 - the paths to progress and hence
 - the cause results in - the brain
 drain. Country is now suffering
 - the political instability / low tax
 revenues, illiterate leaders,
 Abrupt environment. No Quality
 services (Skilful people, uneducated
 experts dominating the society
 which results in - the economic
 instability (no innovation, no productivity
 and hence no progress. Under
 developed country remains
 under developed just because
 it fails to help the streamers
 to dream of progress.

Conclusion: It is essential to further
