Bob excitedly burst into the living room, holding a peculiar gadget. "Honey, look what I bought - a robot vacuum cleaner!" he exclaimed. His wife, Lisa, eyed it skeptically. "You spent our savings on that?" "But it will save us time," Bob argued. As the robot whirred to life, chaos ensued. It zoomed around, bumping into walls and furniture, sending objects flying. Lisa sighed, "This is not helping." Bob sheepishly admitted, "Maybe I got carried away." They erupted into laughter, realizing some messes are best cleaned up the old-fashioned way, with teamwork and a trusty dustpan.

Q Rewrite the following dialogue, written in direct speech, in a paragraph.

Sarah: Hey, John, have you thought about what career path you want to pursue after graduation?

John: Honestly, I'm torn between going into finance or pursuing a career in technology.

Sarah: Both are great options! What interests you about finance?

John: I love analyzing data & predicting market trends. But on the other hand, technology offers endless opportunities for innovation and creativity.

Sarah: True, technology is consistently evolving. Maybe you could combine your interests by working in financial technology?

John: What's a fantastic idea! It would allow me to leverage my skills in both areas. Thanks, Sarah!

Sarah: Anytime, John, just remember to follow my passion!
