PMS 2006

All human beings are liable to err. To be at peace with oneself, the realization of this fact is essential. Humanity is faced with numerous struggles and difficulties. We should view our own problems as part of a universal struggle and brace ourselves to meet every difficulty with fortitude. To be frantic and desperate on such occasions cannot help the situation. Perhaps the greatest folly is for each of us to keep his troubles to himself. Often the path through our worst worries can be made smoother if we seek the guidance of a trusted friend. But there are limits to human wisdom. The only adequate way to endure large evils is to find large consolations. The key to this search is prayer. The faith in a beneficent "Higher Power" can carry us through our most anxious moments. It has cured many people of their diseases and banished melancholy from their hearts. It was faith in God coupled with hard work, which enabled Alexis Carrel to face ridicule and rejection calmly and finally became the recipient of the Nobel Prize. Finally, how much less we should be if we could see our struggle as part of the struggle of a whole creation intent on growth and renewal. By doing so, we not only make our lives easier, but we also add our bit to the sum of human dignity and faith. (231 words)

Solution

No one is perfect, so one should not take one's mistakes to heart. Similarly, we are not alone in facing the difficulties in life. To avoid desperation, we should share our worries with trustworthy friends. However, the best way to overcome challenges is to have faith in God, pray and work hard. Moreover, one should consider one's

PMS Passage (2006)

Precis:-

Title: Seeking Help From God

Mistakes are the natural part of everyone's life. It is always good to accept problems and be in peace with oneself.

Asking

Taking a help from friend can also overcome problems. But, the best of all is to seek guidance through prayer. The faith in God does not only overcomes anxiety but also cures other diseases and sadness. So, in order to make a life easier, people should view their problems as a tip of the iceberg of larger universal problems that will eventually lead to growth and development.
