from System of Paleistam. is duc Ispot welkstandardardards, milliening absence of teachers, wegle government Policies, economiz instability and ongoing more. - there is no chere and bolance on teachers by higher autorities, and also an educational implifutions No propertynds are being franchio to educational institutions for amonsty & poor Students. Moveover, Bin Signh, Junds are being delivered to very Lignifed schools gram Unicef, but the tothe hose are part of this, they make conjugation. Hundreels of schols are closed, and teachers are appointed take been closed - that schools . Not only this concept of ghost teachers is also Present which are not seen by anyone in the school Furthermore, economic instability conthin country is and also a reason According to Surveys 28 million Lindern are Out of present school. In Recent day Philips, where Purchasing power of peoples are very low. An ordingry people without government support Cqm't offord education of -their children. All in all, education system of Paleistan is on-the adge of massive destruction.
