	INTRODUCTION			
	Sir Syed Ahmad Kham (1817-1898) was among those			
	few voices which shouted for against the genourdal			
	ach of British government on a consequince of			
	Wow of Independence (1857). From day one, British			
	have two objectives, to event a stronghold on Indian			
	political affairs and I crush the religious sentiments			
	of the public. Since the Muslims Kotake Klew had been			
	practicing both, such practices invited the British			
	Wrath Palang advantage of the situation,			
	Hindus of the subcontinent started buttown mulat-			
	ionship with British government motivoited to			
	enale a superiority on Missims, as they have			
	stanted perceiving housims as infiltrations. During

discussing about the national issues.
c. Political Peripochive
Sir Syed Firman known was against of Indram
politicis, especially of, All-India National Conque,
Initially he was furthated by Hindus single sided
efforts to execute or build a along relation
with British just for this regulis and then Undu-
Hindi controvery enated a huge impacts on
his view of Looking Indian scanario. He storked
spealing on the behalf of muslim's interest only.
the star believed that good relation with British
is award for muslims for their sustainable survival
in sub-continent and he took multiple step, in
ensuring that. For instance, he lamohd The
waldy Aliganh Cranule to somay problems
faced by Muslim notion and to make Muslims
familian with the British government system.
