

~~1. Every country has its own system~~

4. Role of Media in Projecting Local Unrest at Global Scale

~~5. Detriarchy VS Feminism~~

Outline

1. Introduction:

Thesis statement: media has been playing massive roles in projecting local unrests on global scale. It has been projecting genocide, student protests, women rights violation and unrest in countries. Also, media has been giving coverage to feminist movements, terrorist activities so on and so forth.

2. Role of media in projecting local unrest worldwide:

2.1 Projection of genocide in Gaza

Case in point: Israel genocide in Gaza

2.2 Coverage to student protests worldwide against war crime of Palestinians
