ENGLISH (PRECIS . COMPOSITION)

Q.2: PRECIS

Democracy is the most popular form of government. An effective democracy relies on evidence. However, there ^{are} several threats to democratic integrity followed by misinformation, conventional propa- ^{and} ganda, AI-generated deepfakes. Anti-democratic agents also attack the electoral process directly or indirectly by ^{giving} false informations during elections. This impacts badly on voters. Several ^{mechanisms} mechanism are used for protection of public against misinformation. But before applying mechanism, we have recognition of problem, acceptance information and mainly insurance of democratic principles.

Preci title Democracy: Threats and Solutions
OR Threats to Democratic Integrity.
