Title: 1s Pakistan ready for a digital Revolution?

	DATE: /_/_	
a	Introduction	10.14
	Pakistan's regressive affitude towards	
	the internet makes it no where near ready	
	to capitalize on the digital revolution.	
P)	current State of Digital/Internet medium	
	in Pakistan	
ට	why the Pakistans state is not ready for	
	a digital reus lution?	
	a) Bureau cratic hurdles impede	
	any progress	
	b) Regressive Internet Lows:	
	c) Lack of Broadband connectivity Coverage	د)
	d) Low Internet users and penetration	
	e) School cirricula is out of touch	7.5
	with modren requirements.	1
d)	Why the Pakistani lociety is not ready	
	a digital revolution?	
	a) Traditional work/employments	
	are preferred over techjobs.	
	b) Tech workers contribute in	
	gig ewnony and not in software	
	development	
	e) women parity and participation	
	is dismal	
	d) Unskilled and une du catédr	
	et) Lock of entre peneurial skills	
	Repetition of idea
