

Translation 2022

Each era brings many ^{issues} issue that
no one likes them but ^{one} has to accept
it. Sometimes, nature ^{tests} test us by placing
such thing in front of us ~~which~~ ^{that}
are neither related nor
workable ^f for us. However, ~~the~~ ^{one's} one
has to adopt it in his life.

Today, the same goes on. Each century
brought transformation with it that
we're now compared to previous
one. The development of natural
science and arts has given man
a lot, which can be termed
as scientific and economic
processes. Nature ^{gives} give us fruit,
at same time, makes us bound
to dispose the peels of fruit.
If ~~it~~ not done correctly, ^{environment} environment
gets polluted.
