

## A Trip to Cherokee

Choosing a tourist spot for vacation got difficult for <sup>the 1<sup>st</sup> author</sup> ~~because he~~ wanted to visit <sup>a</sup> less crowded area. <sup>for his vacation</sup> John <sup>upon his friend John's suggestion</sup> suggested him a trip to Cherokee and they flew to Qualla Boundary, a scenic town in Cherokee. The town presents <sup>ed</sup> an image of its history with its 18<sup>th</sup> century ~~crafts~~ lifestyle and historical pageant. The natives helped them find a shop full of traditional ~~souvenirs~~. A middle-age man named George welcomed them. While talking over lunch, George told them that ~~the~~ Cherokees ~~got~~ other means of income alongside trade. Bingo weekend <sup>is</sup> one such entertainment, attracting people toward betting games. Lastly, they visited the Cherokee museum where handcrafted art was displayed. The author missed the place and would visit another one.
