VI	What strategies can be implemented to	
	What strategies can be implemented to increase women's participation in the professional lifes	_
	(a) Facilitating women's entry into The workforce requires fundamental sconfiguration in society about	*.
	gender hotes	
	(b) Making national policies are necessary to develop an inclusive environment	
	(c) Providing an aqual access to caren development opportunities helps eliminate biases against women	0.0
	biases against women	
VII-	Conclusion	
- 4		

١		
1	Woman has the potential to uplift	
-	the sais-economic domain of a country by	
	encouraging their paticipation in the	
	professional life. Vidoubtedly, they hold the	
	ability to cater any problem, inculcate	
	innovative strategier and undertake analytical	
	approach to accomplish a given tack however	.
	despite having enormous capabilities, their	
	contribution to The practical life are hindered	- 8
	due to the partiarchal mindret of the	
_	world. According to the Gobal Entrepreneurship	3 , 1
	Monitoring Gender Report (2021-22), globally, women	
	represent about one in three high-growth	
	and innovation entrepreneurs such meagre	
	participation of women in business sector.	
	displays the society	
	displays the song state of the society that discourages women to pursue career	
-	opportunities. There are various events that endoose	
	the marginalized role of women in the	
	professional life Unequal wage distribution, limited	1
	mentorship and support, and disproportionate	
	had of con girly responsibilities on women are	
_	burden of care giving responsibilities on women are some obstacles to prevent them from
