## Decoding Divine Knowledge in Ancient Greece.

write a simple sentence dont break the sentence

Man's fears, originating from the complex challenges posed by nature, forced him to believe in a deity.

His weaknesses led to the urge of establishing connection with the one who controlled the fate of universe. <sup>Man's</sup> drive to acquire <sup>was</sup>

the knowledge of God eminent in ancient Greece. Prophets and

Prophets were the two main sources of <sup>God's</sup> wisdom. Soothsayers

used to analyze the signs within

the natural world and interpret God's message. Prophets,

on the other hand, acted as a means of communication between
