Flaws of Falsehood

Lying is a sin. It should be punished. Parents often take recourse of falsehood to correcting their children, but it results nothing. According to the author, lying and stubbornness must be hatred, because, when a person become expert of it, it is very difficult to kick it out from him. Furthermore, when a liar says something true people take opposite meaning of it. Author said, he could be liar to protect himself from anger. ~~But wise men said, it is better to be with silent animal than those whose who are a liar.~~ Because, Silence is better than lying.
