Title - Trip to Cherokee, State of Oklahoma

Precis:- John called up to the author, and decided to the trip. Suffering spared holiday. They saw the historical culture of the 18th century. And it is found the shop, he saw modern equipment - war. At the day of Friday, they saw crowds of the people to see the women games, and it is final stayed in the Qualla boundary, where they saw the Handicraft things in the Cherokee, and it could be remembered the Cherokee trip.

Incomplete. Too short. Poor grammar and structure. Rewrite the precis.

Precis should be one third of the passage. Avoid including irrelevant details.
