Q: Analyze the role of political instability in shaping Pakistan's governance 2024.

Ans: Pakistan's political view has always been in the negative structure since independence. The political instability not only affected the political view of the country as a whole. The political parties have damaged the innocent view of the state. Not only this but the hindering growth in the economic sector. The political chaos has brought down the developing sector to its knees. Last but not least, ^{while} the Pakistan is struggling in the political turmoil, the terrorists are creeping in the nerve of the state.

Give the main heading first and relate your headings to the qs statement

Hammering down the economic growth:

Pakistan is facing the huge instability in the economic growth. As Pakistan's leadership involved in stabilizing the political chaos, the backbone is weakening day after day. The devaluation of rupee and increase in the collection of loan. ~~Instead~~ ^{The} of loan will never keep ^{Pakistan} them prosper, until they get away. The only way to keep Pakistan away from loan is the growth in economic with the help of development and stability in political sphere.

Decreasing Foreign Direct Investment (FDI):

“According to the State Bank of Pakistan (SBP), investors withdrew their investment of \$30 Million in the account of FDI due to the recent ouster of national government”

DATE: ___/___/___

The political instability not only effecting the chaos with the state but also the negative view in the eyes of foreign investors. The investors withdrawing their offers, as well as the investment, as the political turmoil increasing day after day. Pakistan losing their respect and integrity in the international sphere.

Inclination of family leadership :

Pakistan stuck in the chain of family leadership. It impact the internal parties conflict and the governance. Rather connecting under an umbrella, they are spreading. The respect and the loyalty to a party by any of the members has decreased. This is due to assigning the party leadership to their fathers children rather assigning to the reputed and loyal members of the party. This has bring up the party conflict and changing the governance order.

Focusing on Political Chaos and weakning the Development Projects :

Development Projects are the key role in the prosperity of a state. The state which focuses more on different development project has chance to grown more in the future.

Pakistan stuck in the turmoil of political sphere. It has lack of focus to the development projects. World Bank supports Pakistan's development in several areas, such as improving the

energy sector. Pakistan in need of foreign support but definitely political chaos will hinder its the ways.

Emergence of Extremist Agenda:

The opposition party has nothing but the people power to use against the government. This will again a instability in political sector that to stabilize the situation of insurgency they will use the power of law and order. More embracing that the harsh behaviour and strict ways, itself a political instability.

“ In this recent political instability, it has noticed that this ~~to~~ turmoil has bring insurgency and number of deaths on both side.”
