The rigid visa policy of Schengen countries for Pakistan

(Precis)

Schengen countries are denying applications from Pakistan owing to their insecurity from other countries' ~~people's~~ culture. This is causing a sense of hopelessness in the hearts of applicants. Moreover, these countries are dismissing visas on ^{the basis of} groundless reasons. On the other hand, the citizens from the western world are welcomed by Pakistanis.

Western countries are giving cold shoulder even to those who made to reach there.

Schengen countries should revisit their policies of closing door for Pakistanis on the grounds of humanity.
