

Pakistan's Changing Foreign Policy Dynamics:

Pakistan's dynamics of foreign policy have seen ~~changing~~ ~~since~~ ~~the~~ ~~arrival~~ ~~of~~ a coalition government. This government is ~~trying~~ ~~its~~ ~~best~~ to balance the relations with US and also with its adversaries. This balance is evident in the recent arrival of President of Belarus - a strong ally of Russia. As a result from this, Russian Prime Minister also visited Pakistan this year and signed many MoUs. Although, this shift has annoyed the traditional ally of Pakistan i.e. US, yet it will be helpful for Pakistan in tackling with its economic problems. Problems like economic recession, over dependence on OPEC and regional tensions with India can be resolved with this shift. Therefore,

This government has been
