

## Revival of TTP in Pakistan

What is this? Qs ? Notes?  
General paragraph?

### Introduction:

The Security forces of Pakistan have launched many operations like Zarb-e-Azab, Rad-ul-fasad, Ra h-e-nijat against TTP militants which helped Pakistan's security forces in clearing the war zone areas like merged districts, Malakand division. The clearance of these war-zone areas gave courage to security forces to declare it as a victory. That victory has been proved for short time and we have seen unprecedented revival of insurgents. In 2001, USA and Nato allies attacked Afghanistan to eliminate Al-Qaeda and Taliban and we have seen a regime change in Afghanistan. USA and Nato allies declared that regime change as a victory but victory has been proved for short time. We have seen unprecedented revival of

Afghan and this is same case  
for Pakistan.

Leave a line space between  
headings for neatness

Revival areas and attacks of TTP.

Revival of TTP militants in  
war-zone like North Waziristan  
and South Waziristan and other  
districts of Ex-Fata, Bannu  
division and Lakki Markwat district.  
and also M-dand division.

We have been faced unprecedented  
increase in number of attacks  
like Police-line Peshawar attack,  
CTD office Bannu attack, Quetta  
attack. The primary targets  
of militants are security forces.  
On front, their targets are  
military, then FC, then Police,  
then Chinese Nationals like

Recently attacks Bisham and Jasy,  
and civilians like Shia population,  
Judiciary and Holy shrines.

TTP militants are using Guerilla  
warfare technique which is:

\* Hide, Hit and Run.

\* The use of IED blasts.

Attempt by  
giving  
subheadings

## \* Suicide Bombing.

Reasons of revival of TTP:

1. The victory of Afghan Taliban against Nato gives courage to Pakistani Taliban to attack.
2. USA and Nato allies used modern weapons and technologies in Afghanistan, after withdrawal they left those weapons and technologies which are now being used by Taliban.
3. TTP using Afghan soil against Pakistan.

TTP's Demands for Negotiation:

1. Control of those areas gives once again to TTP.
2. Adopt Shariah-based government.
3. Abolish 75th Amendment.
4. Revise FCRA.

Government of Pakistan has not accepted those demands.

Way Forward to tackle insurgency:

1. Intelligence-based operation.
2. Police will be on the front line, then FC and in last Military.

Add and highlight references/example s against these arguments

Attempt these by giving subheadings; not points

3. Investing in Police i.e Provide modern weapons, helicopters and train them.

4. Agreement with Afghanistan not to use its land against Pakistan.

5. Persuade Afghanistan at SCO Platform not to use its land against Pakistan.

6. Socio-Economic development in war-zones.

7. Afghanistan border should be sealed.

8. Rehabilitation of militants by providing them money for basic needs.

A 20 marks answer should have around 15 subheadings and be on 7-9 pages

End with conclusion.

Improve the structure, references, paper presentation and the headings quality
