## Importance of Nationalism.

Nationalism is the spiritual force which holds a nation and protects the rights of the people.

It develops unity among ~~the~~ people to achieve their goals.

Nationalism shows oneness of a person which attaches him to his faith and often <sup>makes him consider</sup> his country as "motherhood" and

"Fatherhood". Socio-political dynamics <sup>help</sup> helps to improve the growth of

Nationalism. Geographical unity is important for the possession of common land otherwise, multidimensional

issues can cause, moreover, it promotes unity among people who develop common goals.

Avoid cutting.
