## The Essay

The ~~biggest~~ threat for human in today's history is neither WW3 neither ~~Global~~ recession nor pandemic, ~~it~~ is climate change. avoid writing in such passive style Because economic recession can be tackled by good policies, the war will end with peaceful ~~parts~~ and maybe pandemic can be cured by vaccine but when the climate is not good, the world will not survive, so how will man lives? Climate change is an inevitable phenomenon and is no longer a myth. Pakistan's ~~population~~ suffer more from climate change despite contributing less than 1% to global greenhouse gas emissions. As a frontline state in climate crisis, Pakistan needs to strengthen its resilience to ensure sustainable development.

## Activity 1

The paragraph on the apple plant, like almost any piece of effective writing, has two essential parts: (1) a point is advanced, and (2) that point is then supported. Taking a minute to outline the paragraph will help you understand these basic parts clearly. Add the words needed to complete the outline.

Point: Working in an apple plant is the worst job I ever had.

Reason 1: More load of work

a. Loaded cartons onto skids for ten hours a night

b. Cartons came down the Track almost nonstop

Reason 2: Insufficient pay

a. Working night shift For extra pay

b. Had to work sixty hours for decent take-home pay

Reason 3: Unpleasant working Conditions

a. Two ten-minute breaks and an unpaid lunch

b. Loading dock in near Zero degree Temperature

c. Loneliness on job

(1) No interests in common with other workers

(2) By myself for two hours cleaning the apple vats
