## ESSAY

### (i) INTRODUCTION

Tourism plays a pivotal role in the economic, social and cultural development of countries around the world. The tourists are driven towards the diverse culture, historical landmarks and natural attractions in various countries. Pakistan is known for its rich tapestry of history, culture and natural beauty.

DATE: \_\_\_\_\_

DAY: \_\_\_\_\_

However, Pakistan faces several challenges when attracting tourists, such as security concerns, poor infrastructure, political instability, environmental concerns and inefficient tourist services. There are numerous opportunities in Pakistan that can bolster the economy of Pakistan and improve its image in the world. Despite facing the significant challenges, ~~but~~ if Pakistan adopts strategies and initiatives, these challenges can be transformed into opportunities.
