Translation

CSS - 2024.

When the resolution for the sovereignty of Palestine was presented in United Nations, then this International organization accepted the right of Palestinian people for the autonomous country, presented the formula of two state solution to this problem. However, even after passing this resolution from United Nations since seven decade it could not be implemented yet. On the contrary, Israel backed by America is painting the floor red with the innocent ~~Pales~~ and unarmed Palestinians blood, and the city of Gaza in the war of last two and half month has been completely destroyed. With the American assistance Israel's armed forces has ~~slaughtered~~ <sup>martyred</sup> more than twenty thousand Palestinians including women and children and those who have managed to escape the death they have no safe shelter they are dying losing their lives due to insufficient food and lack of medical assistance.
