Indent the paragraph.

Human fear combined with the mysteries of life instilled a need in them to communicate with fate-detrimental powers.

Various practices were adopted to determine wishes of gods in order to guide human behaviour. Soothsayers analysed wishes through diverse ways.

Palmistry was used too. In addition, signs were directly communicated to spiritual intermediaries to deliver gods message to the masses. These practised worked on oracles that were linked to gods. This association of oracles to a fixed god was organized properly.
