Poverty is no disgrace

Poverty often enhances people intellectually and morally. The poor people often enjoy their tasks. ~~As~~^T the history proved that people were brave and truthful not because they were wealthy but short means of ~~earning~~^{earning}. Author said poverty is far respectable than misery which is ~~not~~ associated with idleness. Those who can carry responsibilities can easily deal with poverty, while those who join beggar's staff find nothing except ~~loss~~ loss. The poor are the happiest yet the rich do not want to be on their place.
