PRECIS- 2022

Humans ~~have~~ dreaded the complexity of life and the link with overarching powers which ~~decide~~ ^{decided} their fates. Human behaviour was guided by wishes hidden in signs and signals sent by gods. Soothsayers analysed these omens by examining ~~lightening, thunder or direction of fire~~ ^{different natural phenomena}. Palmistry and the interpretation of dreams ~~was~~ were in practise too. Direct communication between gods and a human also ~~occurred~~ ^{occurred}; where the person would delve into a spiritual state. The Greek oracles operated on these practises. They were well-associated with a certain god.

Humanfate and gods : a mysterious nexus.

Mistakes identified. Precis ended abruptly.
