Why I want to become a CSP?
Keep practicing on different topics

Ans:

I want to become a CSP because it is one of the best jobs in Pakistan. Firstly, it provides an opportunity to serve the nation in a better way. A CSP officer ensures crime prevention, justice delivery and law and order. Moreover, he oversees essential services like healthcare, education and infrastructure development. Secondly, it offers a secure future. The job is protected by the constitution of Pakistan and no one can fire a CSP as it happens in the private sector jobs. Thirdly, ~~the~~ preparations to pass CSP exam covers a wide range of topics. This can be beneficial for me to appear in other exams of government jobs. A saying goes, "Hit for the moon. Though if you fail, you may land among stars." Therefore, I am trying my best to avail the opportunity and get this job.
