Poverty is no disgrace.

Poverty flourishes people morally and intellectually. ^{History bears witness} As the history proven that bravery, truthfulness, and greatness are the traits of poor than the rich. ~~As~~ ^T the author considered ~~the~~ poverty respectable while misery not. Poverty is far better than being a member of a beggar's group. Although ^{the} poor people are the happiest, yet [;] people do not want to be on their place.

Idea is generally ok. Grammatical and structural mistakes identified.
