

Cherokee: An Exotic Tourist Destination

Cherokee From Tourist's View

An Analysis of Tourist's Destination

Author was planning his vacations to an unusual tourist spot. His friend John suggested him Cherokee, Oklahoma. He agreed because of its natural scenery and no crowd. He fascinatedly called its town, Qualla Boundary a paradise. The historical and cultural aspects of its villages also inspired him. George on the market, helped them to overcome the language barrier. They spent a quality time with him. He elaborated about different occupations in the town. It is only the tourist's season when the tribe engage in promoting tourism in different ways. While visiting museum, the locally made cultural and antique art & craft articles admired him. This was one of his best tours.
