democracy due to which crises become the fortune of country "MQM former leader Altaf Hussain encourages his followers in his speech to riot against the state in Karachi."

The society become chaotic due to law and order situation in country. Due to some national issue, a group of any political party blockade the roads which caused stress in the country. This effected the business and life cycle as well. The state have to tackle it. This also create the issue for smooth flow of democracy in Pakistan. "TLP blocked the roads in all cities." (Al Jazeera, (13-04-2021)). This all creates chaos in the society.

the democracy to work smoothly but if unity of nation falls then democracy also fall and vice versa. This also influence other factors which play important role in flourishing the prosperity of country.

"United We Stand,
Divided we Fall"
(AESOP)

The sovereignty of country all depends upon the working of democracy of country. The developed countries are running on road of prosperity as they give importance to democracy. They know that without democracy, all economic, social, political and all issues will become significant.

"Democracy cannot succeed unless those who express their choice are prepared to choose wisely. The real safeguard of democracy, therefore, is education."
(Franklin D. Roosevelt).

The political crisis will be raised due to polarised politics. As political crisis is major issue for democratic situation in current era. If political parties and their followers will not listen anyone, this will cause political crisis as there will be no debates of one political parties with other. "According to office of BNP, since 2009 more than 138,000 cases have been filed against more than 5 million leaders, activist and supporters of BNP and its member organization."

The polarised politics also uses ethnic issues for their personal interest and divides the nation on the basis of ethnicity. This is one of the basic issue of Pakistan as nation is divided on basis of Punjabi, Belochi, Sindhi, Pathan as well.

This makes the people to fight against each other. "In 1988 elections in Pakistan, N-league leader Nawaz Sharif made slogan "Jag Punjabhi Jag, lag gya teri paghari nu dhag."

The language barrier is also one of the major cause democracy crises. As language plays important role in communication and political awareness all depends upon interaction with people. This causes barrier as if punjabi don't know how to speak sindhi and vice versa.

So, it is necessary to curb out this issue. "Language is the biggest barrier to human progress because language is an encyclopedia of ignorance. Old perceptions are frozen into language and force us to look at the world in an old fashioned way."

(Edward de Bens)

The terrorism issue also raise when enemy see the political chaos in the country. As people are divided on the basis of their personal interest and woe consider it an opportunity and attack the sovereignty of the country in order to create distress in society. This leads the nation towards the disaster. "Four die as bomb rips through PTI rally in Sibi." (The Express Tribune, 30-01-2024)

The disharmony among political leaders is the basic cause of polarised politics. As every leader blames other for the worst situation of country and alleges them as corrupt political leaders. This has become norm that the ruling party of country put his opposition into the jail for personal satisfaction. The current situation and condition of Pakistan

is depicting all these stories.
"According to political news outlet Axios, since 1980, about half of the world's countries have had former leaders jailed or prosecuted."

No political party except other party in government is also aspect to damage democracy in country. It has become norm that every strong opposition party protest against the ruling party and not let the government to work properly. This causes issue for economy and distort the image of country. The country has to pay huge cost for this unethical behavior. "In 2014, PTI protested against the ruling party for more than 3 months. Due to their protest, the tour of Chinese president cancelled in which major economic agreements were to be done."

The major issues faced by country can not be resolved if it is having democratic crisis. The polarised politics do not let their followers to get united at one point for the sake of interest of Pakistan rather they make their followers to see others from their side. This cause hyper tension situation in country. The major issues of country like economic, energy and national project can not be proceeded without unity of nation. "Pakistan's parliament rejected a major Anti-money laundering bill, claiming the government had left out the opposition's amendments."

(The Diplomat, 28-08-2020).

the democracy flourish. As the democratic country can travel from under developed countries to developed countries by making strong policies. The political leaders should give the ^{lesson} of national integrity and shape the character of the nation. "I have cherished the ideal of a democratic and free society in which all person live together in harmony and with equal opportunities. It is ideal which I hope to live for and to achieve."

(Nelson Mandela).

The educated nation can help to get out of democratic crisis. As they will help the country by choosing the political leaders for betterment of country. They come to know the power of their vote. The illiteracy is one of the major issue for under-developed

countries. So, ~~the~~ ~~govt~~ The govt have to raise awareness of education so that they can understand by themselves that how political leaders use their followers for their interest.

"Pakistan has the world's second highest number of out of school children with an estimated 22.8 million children aged 5-16 not attending school." (UNICEF report)

The awareness should be raised among the people - that they should know their responsibility and under the basic issues of their country. According their issues, they should elect the right person and rewrite them despite of that to which ethnic they belong or which party they support. This is the ultimate solution of these problems.

"Overall voter turnout across the nation was 51.7 percent) (ECP report, 2018 election)

Teaching of Islam can also be a solution to these problems. As Islam says that disagree with other arguments is good thing but you have to stay united as Muslim. The riyasat-e-Madina is best example that how it was governed by diplomacy. The Islam religion has guided us for all aspect of life whether it is related to practical life or to individual life.

"There is no compulsion in religion."
(2:256, Quran).

Unity is the best policy to prosper in life. Unity can take you from ground towards sky and can lead towards success. So, it is necessary - that rather we divide on basis of belief and ideology, we should remain united and play a pivot role in prosperity of country.
