Qno 2: 'Precis'

Human being feel need to communicate with the 'divine powers' when they feel fear in their life. Who control the fate and the universe. Knowledge of this 'divine powers' was always remain important to human being. In ancient Greece, soothsayers had the knowledge of interpreting the signs given by the Gods. These soothsayers interpreted those signs like lightning, thunder and other natural acts and then try to get the message sent by God. The most popular was interpreting the dreams and palmistry. However, 'divine mania' was also a way of directly communication between God and humans. Ancient Greeks predicts the future through oracles. Each oracle was linked to other God directly like Delphi, Apollo, Zeus and Dodona.
