title is written at the top not the end

## Ques 2: 'Precis'

Human being feel need to communicate with the divine powers when they feel fear in their life. ~~Who control the fate and the universe. Knowledge of this divine powers was always remain important to human being.~~

In ancient Greece, soothsayers had the knowledge of interpreting the signs given by the Gods.

These soothsayers interpreted these signs like lightning, thunder and other natural natural phenomena

acts and than try to get the message sent by God. The most popular was interpreting the dreams and palinistry. However, divine manis' was also way of directly communication between God and humans.

Ancient Greeks predicts the future through oracles. Each oracle was linked to other God directly like Delphi, Apollon, Zeus and Dodona.

Titel: "Ancient Greeks and Spiritual powers"

"Future prediction and Greeks"

main idea is picked and discussed over all be precis and to the point  
examples are omitted in the content  
word count is vital part of precis and it is missing too  
need improvement not satisfactory  
basic grammar is weak 5/20
