

Cherokee: An Exotic Tourist Destination

Cherokee From Tourist's View

An Analysis of Tourist's Destination

The Author was planning his vacations to an unusual tourist spot. His friend John suggested him Cherokee, Oklahoma. He agreed because of its natural scenery and no crowd. He fascinatedly called its town, Qualla Boundary, a paradise. The historical and cultural aspects of its villages also inspired him. George on the market, helped them to overcome the language barrier. They spent a quality time with him. He elaborated about different occupations in the town. It is only the tourists' season when the tribe engage in promoting tourism in different ways. While visiting museum, the ^{locally} made cultural and antique art and craft articles admired him. This was one of his best tours.

Idea is generally ok. Mistakes identified.

Q5 (b).

Avoid informal words such as doesn't, didn't etc.

Helen inquired Mr. West about John. He informed her that he ^{had} resigned. She investigated the matter from West. He disclosed that John ^{had} demanded to increase his pay, which he ^{had} refused because of his laziness. She curiously asked ^{about} for his new occupation. West told her that he ~~was~~ ^{was} is now doing a job in a film company where he ^{was} is earning fair enough. But he ^{did not} don't know whether John ^{liked} likes his job or not.
