15

~~Read~~ Houthi's Power.

The situation in <sup>the</sup> Red Sea was disastrous. ~~As~~ Houthi's movement were targetted by Anglo-American attacks. Right after Oct<sup>ber</sup> 7<sup>th</sup> raids, Houthis in solidarity ~~blocked~~ with Palestinians blocked trade route ~~for~~ of Israeli ships in Red Sea. Resulting a major set back for global shipping industry, as Red Sea being global corridor for trade. Houthis want caesefire in Gaza to stop uts actions. ~~Instead of~~ caesefire, US forces attacked Houthis. That was condemned by Russia <sup>and</sup> Iran whereas Arabs remain silent.

16

Nothing can be predicted as for now, Globe's largest army attacked globe poorest state. whereas, Houthis might be allied to Iran but their response is still unpredictable, yet nothing can be predicted about the status of middle-east.

Ahmedis's Right.

In every elections, Ahmedis hold a separate voters list for the group. They have boycotted elections due to this for a decade now. It's devastating for a minority to not exercise their right to vote.

This issue is a source of discrimination of ~~commenit~~ minority in both public and private sector. Gen Zia started this

separate electorate system whereas Gen Musharrif restored joint electorate facing pressure to keep ahmedis away. Question of changing laws got no response that created

20 a question of presence of entire community. 21  
Due to voters list any extremist can get anyone's info and harm them and their worship places as done in the past:

### 24 Bilateral Coordination

Pakistan and Iran are ~~most~~ peacefully maintaining bilateral relationships apart from missile strikes. On Jan 16, The Iran launched missiles in Ja'ish-At-Adl group in Balochistan. Pakistan protecting its sovereignty, replied by launching missiles on Baloch Separatists in Saravan, Iran. After dialogue between officials of both countries, peaceful relations have been maintained. Iranian officials stated that both states are one nation ~~but~~ whereas militants are aided by 3rd countries. Pakistani officials stated that

25 a high level mechanism was added to oversee ~~over~~ bilateral coordination. Both states handled issue with wisdom, creating border security. Both states need to address the threat whether they are Baloch Separatists attacking Pakistan or Militants Groups attacking Iran. No unilateral action should be taken from either side. Upcoming Government will have to maintain Bilateral relations between both states keeping in view the foreign actors trying to destabilise the relations of Pakistan and Iran.

### 10 Polls Ahead

Accompanying -the Pre-poll part of Election 2024 all campaigns were suspended yesterday.

Now its time to declare winner through votings. Keeping in view the past 2 months everyone was unsure, if, elections were to be held. Yet the energy of Elections remained missing that might be due to the unfair impression of Elections not letting one of the leading party campaign.

yet PFI managed it through shifting their campaign online and people were in high spirits. Whereas PML-N isn't that involved in campaign as they seems to be in stronger position supported by powerful forces. Meanwhile

11 PPP seems to be in strong position in terms of campaign and having a strong base in the home city, as they know the deals that where, when and how they have to ~~put~~ play beating all the odds. As PPP may show an unexpected turn. Now who will win, it will be known soon.
